Powerful Powders

From colorful and bold to classic and chic, these stylish powder rooms showcase big style in small spaces and offer the perfect pop of personality.

Green Chinoiserie Tray \$90
FROM BLUE PRINT

Daley Home

This pool bathroom features a custom-painted trough sink, a custom-painted Lantern & Scroll pendant light and a bamboo-and-brass mirror. Polished nickel hardware was utilized throughout to seamlessly marry the metals. Two different zellige tiles were arranged in a pattern to give the pink-and-white design with marble penny round tile chosen for flooring.

Bambi A'Lynn Interior Design

This space features Lewis & Wood wallpaper in a subtle paisley pattern that feels both traditional English and modern. The beautiful, detailed mirror from Lee Jofa serves as a focal point for the room. The room also includes lighting from Visual Comfort that adds additional detail and interest to the space.

Hello Kitchen

To save space in this small area under the stairs, a wall-mounted faucet and gorgeous Encore Stone floating vanity replaced the existing sink, vanity and cabinetry. Wainscoting painted in Sherwin-Williams' Sea Serpent color added drama to the small space, along with sconces from Generation Lighting and brass fixtures by Kohler. hellokitchen.net

Pigeon & Poodle
Printed Wastebasket \$618
FROM MAARIBU

Heather Scott Home & Design

Schumacher wallpaper inspired the color scheme for a sophisticated and preppy aesthetic that would be classic, chic and serene. Custom cabinetry with reeded detailing and a custom-height backsplash make the space pop. The powder room also includes sconces from Visual Comfort and plumbing by Kohler. heatherscotthome.com
